## Plaza Premium Group and Letswork announce global partnership

Plaza Premium Group, the pioneers of global airport hospitality services, announces a new partnership with Letswork, the on-demand global workspace platform. As part of this partnership, all Letswork members will now have access to Plaza Premium Lounges globally through their Letswork membership.

Located in over 70 International Airports, Plaza Premium Lounge offers a comfortable and convenient base for business travellers and digital nomads on the move. With a strong presence in the Middle East, Asia and Europe, and continuous growth in the Americas – from their award-winning lounges at Heathrow Airport and Leonardo da Vinci International Airport, to the new flagship mega lounge in Kuala Lumpur International Airport.

With this new partnership, Letswork users will be able to enjoy a seamless remote working experience while travelling, with access to comfortable and convenient workspaces in airports worldwide. Plaza Premium Lounge offers a range of services, including high-speed Wi-Fi, comfortable seating, charging stations and a variety of complimentary food and drinks, making them an ideal location for remote work, meetings, or simply relaxing before a flight.

"We are thrilled to partner with Plaza Premium Group to offer our members even more options for remote work and productivity," said **Hamza Khan, CEO and co-founder of Letswork**. "Airport lounges are a new venue category for us, having primarily focused on coworking spaces, hotels and cafes. This partnership is our first foray into building a global footprint of spaces in our network."

"As business travel returns and the demand for remote work remains strong, we are happy to be partnering with Letswork and expanding our independent lounge network to their members globally. With Plaza Premium Group's mission of making travel better, since last year when we launched TheirPatio, we have invited everyone to rethink their airport dwell time, by introducing a lounge environment conducive to remote working; today our lounges are designed to allow for group meetings, privacy for work calls, high speed wifi and specific seatings within the lounge to make for a comfortable workspace. Whether you are travelling or need a place to work in the area, we are your answer." said **Okan Kufeci, Senior Vice President, Europe, Middle East, and Africa at Plaza Premium Group**.

## **How to access airport lounges via Letswork:**
